ABOUT US

We were founded in 1989 by Mike Lamb in the Tampa Bay area with one simple mission – to provide the best products and chemicals in the detailing industry. The Lamb family remains hands-on in all aspects of their company and their mission has never changed.

Because we manufacture, distribute, and retail our own chemicals and products, we can ensure the strongest concentration and highest quality. With over 60 years of combined experience, we are continuously developing new and improved offerings.

We distribute all of our products on a daily basis using our fleet of trucks throughout the Southeast with distributors in 13 states servicing 20 states altogether. We are currently working on expanding our operations throughout the rest of the United States.
